PENNINGTON DAY

Q & A:

Why do I need a Hopewell Township Temporary Food License in addition to the food vendor application?

Every vendor or organization selling food must be licensed through the Hopewell Township Health Department. If you work out of a commercial kitchen and currently have a license please complete the form and indicate in the upper left-hand corner of the form: **waived**, or **license in place**.

What if I am selling packaged goods? Food licenses are not required for pre-packaged food, such as bagged chips or canned or bottled soda. Any food item which will be individually handled needs a license.

What happens after I fill out the forms? You will receive a confirmation letter. (Booth location to arrive later, closer to Pennington Day.)

Can I cook under a tent?

No, local fire laws do not permit it.

Will there be electricity?

No, unless you make an arrangement in advance with a local resident or business.

Can I bring a generator?

Yes, the quieter the better!

Do I need a fire extinguisher?

Yes, if you are cooking with a flame, an ABC Chemical Extinguisher is required.

What time do I need to be there?

Set up begins at 6:30 a.m. and needs to be completed by 8:30 a.m. with all vehicles off the street. The fair opens at 10am.

What can I sell?

There are lots of food options available. Email us at gretchen@penningtonday.com for a list of good eats already lined up.
